Families in Concert

It is always fun to play in ensemble. But it is even more fun to perform with friends or relatives. And now you have this opportunity! Sharon Music Academy announces annual "Families in Concert" recital, which will take place at the end of April. The date and time will be finalized in March. Brothers and sisters, children and parents, grandchildren and grandparents, significant others are all invited to participate! Talk to your instructors about this performance and select the piece you like. Not surprisingly, we have a lot of musical families at our Academy. At least 8 pairs of brothers and sisters, 3 pairs of mothers and daughters, one pair of father and daughter and one pair of grandfather and grandson who want to participate in this recital. We will have a guitar ensemble, violin and piano duos, piano duos and much more! Don't miss this opportunity to play and have fun! Please fill out the participation form on page 2. We look forward to your participation in the concert!

Updates to our web Photo Gallery

We have updated Photo Gallery on our website with the pictures from Academy's Halloween Party and the Gala Performance at Striar JCC. Both events were a smashing success. They were taped by Sharon Cable and will be broadcast later this month. We will notify everyone by email about the dates and the times of the broadcast.

We would like to thank David Yang for his pictures of the Halloween Party and Concert. David is a wonderful photographer and his photos are always a work of art.

Many parents record performances of their children and share them on YouTube.com or other video-sharing websites. If you have clips that you want to share, please send us a link and we will include it in our Photo Gallery. Halloween Concert Album has a link to the clip of Noah Levitt playing jazz with his grandfather at the Halloween Concert. Your clip could be there too!

Bernie Jacobs Memorial Concert

Bernie Jacobs was a legendary man. He helped so many wonderful musicians to find their voice and place in the world of music. His wife, Iris Jacobs, continues his work through Bernie Jacobs Scholarship fund, which helps Sharon High School Seniors to pursue music beyond high school. Some of our students have been awarded this scholarship throughout the years. Sharon Music Academy was blessed with Bernie's friendship and support and is always honored to participate in his memorial concert. And on November 12th of this year Angelique Scully (piano), Sean Wu (violin) and Brandon Bloch (piano) touched all the spectators with their performance and tribute to Bernie's memory. And congratulations to Angelique—for the first time in her life she was asked for an autograph!

This annual event brings together all local musicians in celebration of love and music. All proceeds from the concert are donated to the Bernie Jacobs Scholarship fund. If you missed the concert this year make sure you attend it next year.
