SEPTEMBER 2008

## Evening of Music Appreciation

There is much more to music than just learning an instrument. That's why many students and parents have expressed interest in learning more about music. And we decided to start a new program at SMA — **"Because You Asked"**. You can send us your requests and suggestions using "Contact Us" form on our website.

The most recent requests we've received are about music appreciation. We've all heard that music is a language. But how one can speak and understand this language when there is no words? Why music is a reflection of our life and what is the place of music among other art forms. Come to our 45 min workshop **"Music Appreciation" on Friday, October 24th at 7:30 PM** and find the answers to all these questions. Space is limited, so please RSVP on a sign-up list in the hall.

## Be A Recording Artist

Sharon Music Academy strives to provide its students various music experiences. One of such experiences is participating in recording session and producing a CD. SMA and Global Note Recording Studio in Walpole offer this opportunity to SMA students. If you want to participate in this event please plan accordingly and prepare a piece or a couple of pieces for recording. We usually organize recordings in April and May.

## Music Theory Class

No music education is complete without music theory. It is especially important if a student wants to achieve a certification. SMA plans two 30 min Theory Classes : on Tuesdays at 7:15 pm and on Fridays at 7:45 pm. Please let us know what day will be convenient for you to attend. If weekends are more convenient for you, please let us know as well.

## One-Man Orchestra

Many of our students take instructions in several instruments. Able to play one instrument helps a lot in learning another. To give our students an opportunity to try some other instrument, SMA offers 4 lessons in any instrument of the student's choice at a promotional rate of \$99 for all 4 lessons. Trial instructions are available in cello, flute, saxophone, clarinet, violin and piano. Please contact us to discuss a schedule.

## Events and Concerts

We scheduled many events for this school year. On October 25th we will have a Halloween Party with a guest magician. Wonderful pianist and a member of our faculty Nicolai Lomov will give a concert on October 17th—don't miss it. In November we plan a world famous Flamenco guitarist to give our students a master class on Flamenco style. Please visit our Calendar page on our website for details and additional information. For our adult students—please mark your calendar for January. We plan to have wine and music evening on January 16th. We look forward to see you playing.

### Quote of the Day

*"Take a music bath  
once or twice a  
week for a few  
seasons.*

*You will find it is to  
the soul what a  
water bath is to the  
body."*

*Oliver Wendell Holmes  
Famous American Poet*
